ADOPTION CONTRACT

Please read and INITIAL each section. This is a legally binding contract.

_____ I agree to provide daily food and fresh water, shelter from extreme temperatures and weather conditions, and veterinary care to prevent and treat disease, illness, and injury. I also agree to keep the pet free of parasites such as fleas, ticks, and worms, etc. I will ensure that it is treated in a humane manner at all times.

_____ I attest that I am not obtaining this animal for use in any type of experimentation or for the sale to any agency that experiments on animals.

_____ Toccoa-Stephens County Humane Shelter does not necessarily know the nature of the animal or its characteristics, and give no warranties, expressed or implied, of temperament or fitness. I confirm that I have been provided information on the pet's current health status, noting any known pre-existing conditions. I understand that the pet is delivered "as is". I understand that the pet should be isolated for a period of time from my own pets, to the extent possible, in the event that it has been exposed to any type of illness.

_____ If I should decide, for whatever reason, that I cannot continue to care for the pet, I will return it to the Toccoa-Stephens County Humane Shelter immediately without refund of money. I WILL NOT turn it over to another animal shelter, have it destroyed, or abandon it. I understand that the Toccoa-Stephens County Humane Shelter, at its discretion, may place the animal with another caregiver as soon as possible after receiving the animal.

_____ I understand the Toccoa-Stephens County Humane Shelter is relying on the information provided by my Adoption Application form. The pet is not to be given or sold to another individual, institution, organization without the express written permission of the Toccoa-Stephens County Humane Shelter. The pet is not to be placed in an environment functionally different than the one described in my Adoption Application.

_____ I relieve the Toccoa-Stephens County Humane Shelter of all liability and responsibility for damage or injury to persons, property or other animals caused directly or indirectly by the pet, and hold them harmless from liability. _____ I understand that it is the responsibility of the new pet owner to see that the animal complies with all health regulations and other applicable ordinances. This includes, but is not limited to, vaccinations to prevent rabies and local pet licensing laws. I agree to keep a collar and identification tag on the pet at all times.

_____ I understand that there is a monetary cost associated with pet ownership. In addition to routine vaccinations and screening tests, pets may need veterinary care for the treatment of illness or injury. Other costs may include charges for obedience training, pet deposits required by landlords, special devices or equipment, such as fences and dog houses for sheltering the animal, and damage to personal property. I attest that I am both financially able and willing to accept full responsibility for the pet.

_____ I confirm that I am making a long-term commitment to the ownership of this pet. I understand that changes in my lifestyle or family composition do not relieve me of my responsibility to the pet.

_____ I understand that the Toccoa-Stephens County Humane Shelter cannot predict the behavior of the pet in his new home. Failure of the pet to meet my expectations does not relieve me of my responsibility to the pet. I understand that consistent, humane training can help the pet adapt to his new home and alter certain behaviors.

_____ I understand that children are not fully capable of caring for a pet and that primary responsibility of the pet rests on the adopter. I will provide appropriate supervision and instruction on the proper handling of pets to children in my household.

By signing below, I confirm all the information in this Adoption Contract is correct and complete, and I authorize my veterinarian to release information confirming this Adoption Contract to the Toccoa-Stephens County Humane Shelter for verification.
